

## **Fall Health Fair in Wray Oct. 14**

Written by Holyoke Enterprise

---

The 2009 Fall Health Fair in Wray will be held Wednesday, Oct. 14 from 6-7 p.m. at the WRAC. The health fair is co-sponsored by Wray Community District Hospital and Clinic and Wray Lions Club.

The fair offers community members an opportunity to learn more about their current health status. Blood test results will be available, and the Wray Hospital medical staff will be available to counsel participants on their laboratory results.

Those who are unable to attend may have their test results mailed directly to them after the fair. Results should be taken to the next physician visit for review of any abnormal results. Contact the Cardiac Rehab Department at the Wray Hospital at 970-332-2245 for further information.
