Presenting a different mission each evening, the Eastern Colorado/Western Kansas School of Missions will be held Thursday-Sunday, Nov. 12-15 at 7 p.m. at the First Christian Church located at 310 S. Interocean in Holyoke.

On Thursday, the Canadian Evangelism Ministries will be sharing what they are doing internationally and how they are locating "tent-building" pastors and churches in the United States that will adopt them so they can do ministry full-time.

Presenting Friday evening is Alba, the ancient name of Scotland. They plant new congregations in the Highlands of all of Scotland, basing their ministry on 2 Peter 1:12-15 to remind the people of Scotland what they once knew.

Go Verona will speak on Saturday about how they partner with local churches to plant churches among the unreached people of Verona, Italy.

At Sunday morning services, Ozark Christian College, located in Joplin, Mo., will be presenting. Ozark has existed for over 67 years to train men and women to be servant leaders for Christ's Kingdom.

Finally, on Sunday evening, missionaries will share their mission of the South Pacific Christian Fellowship with New Testament churches within New Zealand and Australia.

Everyone is welcome to attend and learn what God is doing through missionaries around the world.
