□□ Eighteen toy enthusiasts displayed collections ranging from dolls and bears to tractors and cars at Phillips County Historical Society's sixth annual toy show Sunday, Aug. 8. "It's just a fun afternoon showing toys," said event organizer Steve Triplette. A large crowd from Holyoke and other area towns gathered at the Phillips County museum for the annual event.

His dad, Gary, explained this collection started about 15 years ago and features many Dale Earnhart and Dale Earnhart Jr. cars. A few of Blye's most unique toys are the Hot Wheels cars made exclusively for a convention at Speed, Kan. □□—Enterprise photos
