Phillips County District 1 Commissioner Susan Roll Walters was honored at a retirement reception at the Phillips County Event Center Monday, Jan. 10. Serving the county as commissioner since 2003, Roll Walters said she is simply excited to be able to spend time at home helping her husband with the farming and is even considering a trip to Florida to see her sisters.

Pictured above, James Scholl is one of many community members to congratulate and thank Roll Walters at the reception. Commissioners Jerry Beavers, below left, and Bud Bieseimeier, below right, present Roll Walters with a plaque in appreciation of her eight years of service.□□
