

It's pancake time!

Written by Holyoke Enterprise

Phillips County Commissioners threw on the aprons and grabbed the spatulas Friday, Feb. 4 to serve pancakes to the public. Sweet Pancake Bonanza was held to raise awareness and funds for the Homesteaders Playground project which is driven by the commissioners and a group of volunteers.

Bud Bieseimer, above, serves a few flapjacks to Lois and Wayne Carruthers while Jerry Beavers, below, prepares another round of pancakes.

The proposed playground will be universally accessible to children of all ages. Coordinators are preparing a second application for a GOCO (Great Outdoors Colorado) grant.□□
