

Community Night Monday

Written by Holyoke Enterprise

- To get a taste of Holyoke's businesses and organizations, the community is invited to the 26th Annual Community Night on Monday, March 23 at Holyoke High School.
- From 5:30-8 p.m. community members can visit info booths set up by area businesses and non-profit organizations. As of last week, 33 groups planned to participate.
- In addition to handing out information, many businesses will also have giveaways and door prize drawings.
- Seaboard Foods is providing and preparing pork loins for the meal, while the Chamber and other businesses will supply the rest of the meal.
- Those visiting Community Night can enter the GPRC raffle for a chance to win a Panasonic 32" LCD HD Flat Screen TV. Proceeds from the raffle will benefit the GPRC/Peerless Center.
- Community members are asked to enter the event from the south side of the high school.
- Space is available for people who want to set up a booth at community night. Contact Mary Tomky at the Holyoke Chamber at 854-3517 or email holyokec@pctelcom.coop for more information.
