

9 health fair in Haxtun

Written by Holyoke Enterprise

Saturday, March 31, Haxtun Lions will be in full force at the Haxtun Community Center hosting the annual 9 Health Fair from 7-11 a.m. A blood draw and numerous screenings will be offered, as in past years.

Vital screenings for health will be completed that morning, and health professionals will be on hand to identify what each screen determines.

Anyone over 18 is encouraged to participate.

For those unable to attend the March 31 health fair, a second blood draw will be held Saturday, April 21 from 7-10 a.m. A physician will be available to go over lab results from March 31 for those wanting explanations.
