MMHF requested the use of the city pool July 4 during the swimming part of the competition.

Since a free swim day is no longer part of 4th of July celebrations, the pool hasn't been open since other city offices are also closed. Pool manager Karla Pargas said she would like to see a different day chosen for the competition.

David Churchwell felt they should allow the use on the 4th but only if MMHF could find a licensed lifeguard to donate their time to watch over the pool.

Scott Murray and Churchwell cast dissenting votes to the motion asking MMHF to come up with another day.

Golf course liquor license hearing to be May 1

A liquor license hearing will be held May 1 at 7 p.m. at the council chambers for the Holyoke Golf Club. Council member Brian Akey said the club is looking to sell alcohol from the clubhouse as well as offer a bar during Calcutta nights.

The idea is to also eliminate golfers from bringing their own alcohol onto the golf course and raise money by selling it. Akey said members they have spoken with are in support of the idea to offer alcohol at the golf course.

Research continues on dog pound

City supt. Mark Brown said they are waiting to receive some plans from area dog pounds built within the last five years to base the Holyoke pound after. He noted the city can look at plans already drawn up and tweak them rather than begin from square one.

Reports of city officials

Council members heard reports from city supt. Brown and police chief Doug Bergstrom at last week's meeting.

Brown noted the annual citywide cleanup will take place Wednesday-Thursday, May 2-3. He noted people need to take into account recent changes with electronics and the fees associated with recycling them. Brown also said the annual seal coat program is tentatively scheduled for June 21-22.

Bergstrom said the newly purchased Dodge Charger has arrived and been added to the department's fleet. He also noted officer Larry Drake is doing well and is a bit ahead of schedule.
