

## **Community Christmas dinner planned Sunday**

Written by Holyoke Enterprise

---

Those who would like to enjoy an early Christmas meal may do so Sunday, Dec. 16.

The traditional Christmas meal will be held at First United Methodist Church from 4-7 p.m. and is offered at no charge.

A taxi service will be available for those who need assistance getting to the church. For those who can't get out, a delivery service will also be available.

There is no need to RSVP, but it would be appreciated in order to have an idea for food preparation.

Contact Kala Yost at 520-0622 or First United Methodist Church at 854-2433 to RSVP or to volunteer your help in putting on the meal.
