

Just gettin' some air

Written by Holyoke Enterprise

Lauren Herman gets some air under her as she takes a slide down Golf Course Hill, over the jump made by industrious junior high and high school students Gunnar Kroeger, Brendan Mayden, Natray Peregoy, Holden Redman and Jack Gorwitz Sunday afternoon. The beautiful snowfall that landed in Holyoke late Saturday evening and early Sunday morning, Dec. 15-16, was a welcome sight for moisture and fun.☐☐
