Written by Holyoke Enterprise

Residents and staff of Regent Park and Carriage House celebrate Feb. 14 with their annual Valentine's Day party last Thursday. Nursing home couple Arlene and Harry Harms are crowned the queen and king of Valentine's Day for the nursing home (pictured above in front), and residents George Voges and Connie Saunders take the honors for the assisted living side (pictured above in back). Royalty are voted on by residents and staff each year. Filled with colorful red and pink balloons, Regent Park was alive with Valentine's Day festivities, like a dance and party food.□□
