

## Senior Senior Prom offers fun evening out

Written by Holyoke Enterprise

---

Local community members should mark their calendars for the Senior Senior Prom set for Saturday, April 6. The idea is that people age 50 and over can enjoy a fun evening out—dancing, socializing and reminiscing about the good ol' times.

Since many HHS alums remember their proms in the old gym at the high school, that's where this event will be held. Beginning at 7:30 p.m., prom-goers can enjoy music provided by Joe Hall and friends.

Refreshments will be offered, and there will be a small cover charge.

Anyone with questions or who needs a ride to the Senior Senior Prom should call 970-520-3299.
