

Around Town

Written by Holyoke Enterprise

Countywide cleanup days are June 7-8

Phillips County is sponsoring cleanup days for rural residents Friday-Saturday, June 7-8. The landfill will accept metal and trees as well as appliances without Freon if tagged by a certified technician. Normal municipal solid waste, electronic equipment, tires, shingles and grain dust will be taken at the regular charge.

County event info needed for travel site

Northeast Colorado travel region is updating items on their website at www.nctr.info . Currently Phillips County does not have anything listed on their page. Anyone who sponsors events/celebrations or who has tourist websites should give their information to Mary Tomky at Holyoke Chamber of Commerce, 854-3517.
