

Old-fashioned movie gets two thumbs up

Written by Holyoke Enterprise

It was a night with the stars (and under the stars!) at Heginbotham Library's old-fashioned outdoor movie night last Friday, July 19. Both the young and young at heart curled up on blankets or in lawn chairs on the lawn outside the library for the Disney classic "Swiss Family Robinson."

The weather was beautiful as a big crowd munched on popcorn, snow cones and lollipops and were transported to a magnificent tree house and exotic island adventures.

With their giant lollipops in hand, a group of kids are pictured above from left, Katelyn Kropp, Bella Kropp, Molly Kropp on grandma Deb Kropp's lap, Elby Kropp, Barb Kreider in back with granddaughter Macie Maloney, Cody Maloney and Abbie Dille. —Enterprise photo

Another movie night, again sponsored by Heginbotham Library Board and Friends of the Library, will be Friday, Aug. 9 with concessions opening at 7:30 p.m. and the movie starting at 8 p.m.
