

Heginbotham Library set for brickwork restorations

Written by Holyoke Enterprise

Bart Baker, pictured at left, from Building Restoration Specialists, Inc. in Denver, shows state historical fund representatives Anne McCleave and Heather Hatfield the areas that will need work at the Heginbotham Library Wednesday, Sept. 18. Brickwork restorations will take place on the main building, carriage house and fencing around the property. With the brickwork tentatively scheduled to begin this week, city employees have already begun removing trees in preparation for the work with the fences.□□
