

There is still Conservation Reserve Program (CRP) general sign-up 41 going on that started March 14 and continues through April 15.

This sign-up is similar to other general sign-ups, as the producers will offer their land for CRP, and after sign-up the offers will be ranked according to an Environmental Benefits Index (EBI) ranking utilizing the same six factors as before. Farm Service Agency (FSA) is taking appointments for this sign-up and asks producers who wish to sign up to call for an appointment.

The Holyoke Service Center can be reached by calling 854-2812 ext. 2 for the FSA.
