Thursday, Dec. 1 is the final date for purchasing Noninsured Crop Disaster Assistance Program (NAP) crop insurance on 2012 grass for forage, honey, mustard, mixed forage and alfalfa.

Producers wishing to insure these crops under USDA's NAP must make application and pay the application fee by Dec. 1.

For further information or to purchase NAP coverage, contact Phillips County Farm Service Agency office at 854-2812 ext. 2.
