

175 attend Pro Farmer Profit Briefing

Written by Holyoke Enterprise

Despite the slick roads and cooler temperatures, 175 farmers attended the Professional Farmers of America profit-briefing conference Tuesday, Dec. 13 at Phillips County Event Center. Organizers said nearly 200 had registered and icy roads probably kept some from attending.

Pro Farmer editors and industry experts shared what lies ahead for land prices, farm policy, commodities, the economy, world trade, technology and more. —Enterprise photo
