Written by Holyoke Enterprise

Tuesday, Dec. 4, Earl Downing and Justin Grant of Computers Etc. of Holyoke attended a meeting at the Microsoft office in Denver, where they received training on Microsoft's Big 3 products, Windows 8, Server 2012 and the new Office. Keynote speaker was Don Yaeger. He explained "What Makes the Great Ones Great," using rich personal accounts gathered from more than 20 years of interviews with many of today's sports legends and business leaders.
