

Irrigators, well owners invited

Written by Holyoke Enterprise

A public meeting has been set for all irrigators and large capacity well owners. It will be held Tuesday, Jan. 22 from 4-5:30 p.m. at the WRAC, 7th and Main Street, in Wray.

Dick Wolfe, state engineer, Colorado Division of Water Resources, and staff will address the concerns and actions to be taken on the large capacity wells in the Northern High Plains Designated Ground Water Basin that have exceeded their maximum annual volume of appropriation for the 2012 irrigation year.
