

Redman, Purkeypile open Strandz Salon

Written by Darci Tomky

As of Monday, Jan. 28, sisters Misti Redman and Holli Purkeypile were open and ready for business at the new Strandz Salon, located at 101 E. Emerson in Holyoke.

The two are partners in this new business venture, a modern salon offering family haircuts, highlights, colors, perms, Shellac, pedicures, waxing and ear-piercing.

They also provide a large product line, with much more than just hair care items. They want to provide unique products and are very open minded about what they can offer to customers. If they don't have something, simply ask and Strandz can probably order it.

Redman and Purkeypile have both owned salon businesses before, so they are excited to get back into the swing of things. The long and short of it is they have more time now and lots of new ideas, so it was a great opportunity to partner up for Strandz Salon.

Out of her 21 years of experience, Redman owned Misti's Mane Attractions for 13 years. Purkeypile has been in the hair care business for around five years, with a couple years as owner of Just For Looks in Imperial, Neb.

Strandz Salon will be open Monday-Friday, with Saturday and evening slots available by appointment. They will be honoring all gift certificates at the new salon.

To schedule an appointment at Strandz Salon, call 970-854-HAIR (4247), Redman at 970-466-3267 or Purkeypile at 970-466-9879.
