Roger Koberstein, pictured at left, was recently named the recipient of the 2013 Colorado Friend of 4-H award while at the Colorado Association of Extension 4-H Agents annual banquet in Fort. Collins Monday, Nov. 4. Koberstein was nominated by 4-H program associate Kindra Plumb, pictured at right.

Plumb also read Koberstein’s introduction before he accepted his plaque. She praised him for his commitment to 4-Hers across Colorado and even nationwide, stating that “he gives generously of his time and talents and asks for nothing in return.”
