

21st Century accepts first dollar

Written by Holyoke Enterprise

A first dollar of profit is presented to 21st Century Equipment from Holyoke Chamber of Commerce executive director Mary Tomky. In early October, 21st Century acquired MV Equipment, located at 39924 Highway 6. Members of the 21st Century team accepting the certificate are pictured from left, south region vice president Gary Dible, CEO Owen Palm, Chamber director Tomky, Holyoke location manager Branson Sparks and vice president of sales Jason Hoult. □ □
