

Holyoke FFA attends districts

Written by Holyoke Enterprise

Several Holyoke FFA Chapter members recently attended the District Leadership Conference, held at NJC Wednesday, Dec. 11. The main theme for the conference was “Igniting Your Future.”

Those in attendance were divided by grades, with different agendas set for upperclassmen and underclassmen.

Seniors and juniors went on three separate tours. They visited Industrial Welding & Supply, Premier Farm Credit where they learned about loans and NJC where they participated in a scavenger hunt. Three Holyoke FFA Chapter members, Makayla Spitz, Taylor Goldenstein and Jacinda Krueger, won the scavenger hunt.

The underclassmen spent the day at workshops to learn about life skills. The first workshop was centered around their dreams. There was an activity with a balloon and rice placed into a bucket. Everyone wrote their dreams on the balloon and proceeded to discuss the purpose of following their dreams.
