

Corrected ballots mailed to producers for FSA election

Written by Holyoke Enterprise

USDA Farm Service Agency FSA Administrator Juan M. Garcia announced that the FSA county committee elections began Dec. 20 with the mailing of ballots to eligible voters. The deadline to return the ballots to local FSA offices is Friday, Jan. 17.

Producers have been instructed to destroy the FSA county committee election ballots (FSA-669s) mailed on Nov. 4. The new ballots mailed to producers have the word "corrected" printed on the outside of the mailing, the ballot itself and the return envelope. Producers must complete and return the corrected FSA-669 to have their vote counted.

Eligible voters who did not receive a ballot can obtain one from their local USDA Service Center. The last day for voters to submit corrected ballots in person to local USDA Service Centers is Jan. 17. Ballots returned by mail must be postmarked no later than Jan. 17. Newly elected committee members and their alternates will take office Feb. 18.
