Holyoke Junior High School students will have an opportunity to learn about careers available in Holyoke by visiting several businesses Wednesday, Feb. 19.

This Career Awareness Day is implemented by Holyoke FBLA members Xander Nelson, Tyler Camblin and Austin Herman.

They have teamed up with the local Chamber of Commerce and Phillips County Economic Development to collaborate on ways to educate the youth in Holyoke and the county about the employment opportunities available right in their hometown upon graduation from high school and/or higher education.
