

## Krumm named sales mgr. at 21st Century

Written by Holyoke Enterprise

---

Gary Krumm has been appointed sales manager at the 21st Century Equipment dealership in Holyoke.

Krumm goes to 21st Century Equipment from Bank of Colorado, where he had spent nearly 10 years, most recently as the bank president.

A long-time Holyoke resident, Krumm has a history with John Deere, having served as salesman and store manager for Dudden Implement in Holyoke until it was purchased by Valley Equipment in 2001.

After working in broadcast sales for a period, he became a loan officer at Bank of Colorado in Holyoke. He was named president at that location in 2008.
