

Youth have fun cheering it up

Written by Holyoke Enterprise

Fifty-three young cheerleaders from preschool through sixth grade performed at halftime of the boys' varsity basketball game in Holyoke Friday, Jan. 29. The chants and routines were ones they learned in the Jan. 23 Cheer Clinic put on by HHS cheerleaders.

Four age groups (3 yrs.-preschool, K-1 grades, grades 2-3 and grades 4-6) performed their small group routines, then the whole Cheer Clinic joined for a group performance. Annabelle Borland is pictured at right performing her cheer routine.

The Cheer Clinic performance was led by HHS cheerleaders Megan Colglazier, Nora Roth, Sydney Nelson, Mallory Bennett, Jordan Zeiler and Molly Brandt.
