Written by Holyoke Enterprise

Burlington hosted last weekend's NWKSL meet Saturday, June 12. Holyoke Swim Club had a number of competitors in individual events. Due to the cold and uncertain weather, relay events were not held.

Coach Adria Colver commented on the swimmers' accomplishments.

The 8 and under age group, both boys and girls, Colver said, continue to surprise even themselves with their improvement. Swimmers in the 11-12 age group continue to challenge one another in positive ways. Danielle Brandt, she added, swam well despite a previous hand injury.

Colver commented that Megan Vieselmeyer moved up in the 13-14 year-old standings with three good swims.

Finally commenting on the Holyoke Swim Club, Colver shared her joy at seeing 11 Holyoke records still held at the Burlington swim meet. This includes 8 records by Aly (Colver) Brinkema, and one each by Sarah Jones, Abby Jones and Erin Vieselmeyer.
