

Raceway sees plenty of action over busy weekend

Written by Holyoke Enterprise

Phillips County Raceway was invaded by sprint cars Friday, June 18 as the Colorado 1200 outlaws, URSS sprints and mini sprints all came to town. Two nights later, racing action picked back up with the modifieds, sport mods, hobby stock and stock cars taking to the track Sunday night. Results will appear in next week's Enterprise. □□□ □□□ □□□□
