Holyoke Swim Club continued their season with the Oakley, Kan. meet Saturday, June 26. The meet marks the end of the regular season for the Northwest Kansas Swim League.

Coach Adria Colver said the meet went well, with strong races from all ages. Seth Watson continues to stay at the top of his age group, while others are piling up points.

The team looks forward to their two-day league meet, July 9-10, where the high point winners in each age group will be decided. Colver noted the younger swimmers in each age group often feel their first year is mostly for practice, while their second year is the time to score points. However, physical factors such as height and weight can vary greatly in each age group.

Individual results for the Oakley meet are as follows:
