The weather stayed calm and allowed for some exciting racing action at Phillips County Raceway Sunday, July 4.

It was a slower night as many of the drivers brought out the caution flag. Some of the drivers during the modified main found themselves brushing up against the wall in front of the grandstands causing numerous restarts.

Some of the races from June 6 were finished up before heat races were run for Sunday's races.

Main event results from Sunday, July 4 include:

### Modified

John Hansen, DJ Banks, Dominic Ursetta, Brett Smith, Brandy Hansen, James Crenmeyer, Cole Hodges, Joe Mullins, Kevin Massey, John Burrow Jr., Tom Sears, Greg Sharp, Zach Hilzer and Tyson Groves.
