

## Dragons win final home game, face Wray next

Written by Chris Lee

---

Those in the stands Friday night, Oct. 22 saw a similar sight as the Holyoke Dragons took the field to face off against the Highland Huskies. Highland took the ball on the first drive of the game and moved it down the field for an early score.

The scene was all too familiar to the Dragons and their coaches as they have seen teams build up quick leads on them throughout the year. However, the score would prove to be the opponent's only points of the game while the home team rolled up 34 to secure their second win of the season 34-7.

"It was a good day," coach Rod Trumper said.

Holyoke welcomed cool temperatures and a slight drizzle throughout the day Friday. Rain held off until midway through the fourth quarter, making it a cool finish to the gridiron season at Max Bernard Field.

Holyoke will wrap up the regular season Friday, Oct. 29 when they travel to Wray to face the undefeated Eagles. Kickoff is scheduled for 7 p.m.

### Slow start to game

After Highland scored on the opening drive, the teams each went three and out giving Holyoke the ball with about five minutes left in the opening period. Moving across midfield, running back Brett Cumming ran the ball into the end zone from 20 yards out only to have the play called back on a holding penalty.

The drive stalled giving the Huskies the ball back with time running out in the quarter.

The Dragon defense again managed to force a punt giving the ball back to the offense. Thirteen plays later, Broc Pelle ran in from 16 yards out for the score. Cumming added the two-point conversion.
