A strong, aggressive, fearless wrestler, senior Broc Pelle finished his high school wrestling career in the 170-lb. championship match at the Pepsi Center in Denver Saturday, Feb. 18.

He never gave up and worked hard to the end, but finished as runner-up in a 3-5 decision to returning state champ Brent Harris of Norwood.

“He had a great season,” said coach Jack Garrison. “Broc is a heck of a guy and a really good wrestler. We’ll miss him a bunch,” added the coach.

Neither Pelle nor Harris scored in the first period of Saturday night’s championship, but Pelle fell behind 1-4 heading into the third and final period.

He had a great tilt for two back points to make it a one-point match, but locked his hands to give up a point with 17 seconds on the clock.

“I had him spin out front and try to get a quarter Nelson,” said coach Garrison. Time was running out and they made the best call they could, he added.

While it was disappointing, Pelle said afterwards it was still a great experience. Being in the state tournament and ultimately the state championship was a great way to end his high school wrestling.

He improved each year, winning one match on the state mats at 140 lbs. as a freshman and finishing fourth at 171 lbs. as a junior after taking his sophomore year off.

Pelle will leave in June to serve in the U.S. Marines, starting training in San Diego, Calif.

### Pelle starts with quick pin

Leaving no doubt that he meant business, the regional 170-lb. champ from Holyoke kicked off the 2012 state tournament with a 15-second pin over Jesse Evans of Kiowa.

Pelle's quarterfinal foe was a strong, highly-ranked contender, Justin Hardy of Meeker, who finished the tourney in third place.

Pelle did a phenomenal job, according to coach Garrison, who said he beat Hardy on his feet. He wrestled a controlled, smart match and never trailed.

In the first minute of the match, Pelle had a takedown and Hardy escaped for a 2-1 first period.

Pelle started the second period in the down position, where he got an escape and then a takedown to lead 5-1. Neither wrestler scored in the third period, as Pelle advanced to the semis and a sure medal.

Not satisfied with just any medal, Pelle made it clear he wasn't finished yet as he pinned Bo Soden of Rocky Ford in 3:07 to claim a berth in the title match. He held a 4-0 lead before his second-period pin over Soden.

"You don't make a mistake on Broc. He'll capitalize on it. He wrestles aggressively, and I love his style," said coach Garrison.

He added it was a great way to get into the finals. "He's the kind of guy I like to coach. He's tough," added Garrison.
