

Dragon baseball to open Saturday

Written by Holyoke Enterprise

Holyoke High School's Dragon baseball team will open the 2012 spring sports season with a varsity doubleheader against Haxtun Saturday, March 10 on the Bulldogs' home diamond. Games are scheduled to begin at 11 a.m.

Originally, the county rivalry game wasn't supposed to be played until Tuesday, March 20. That date has now been reserved for a junior varsity doubleheader in Haxtun.

The Dragons are looking forward to another great season as they proved to be a powerhouse in northeast Colorado last year but were abruptly booted from the district tournament by Akron. They finished 2011 with a 14-5 record.
