

HHS golfers get rained out at home

Written by Holyoke Enterprise

Five of the six Holyoke High School girls' golf team members hit the course Thursday, March 22 to open their season. Above, Caitlyn Kramer tees off last Thursday.

Holyoke played host to Wray who brought two golfers to the competition.

First tee shots were made with a slight drizzle coming down and by the time golfers had completed six holes, coaches decided to end the day early.

Holyoke was scheduled to travel to Brush Monday, March 26 and Burlington Friday, March 30.
