Summer baseball and softball seasons are just around the corner. Those interested in participating in Holyoke's summer rec program should register between April 16-25.

Registration forms can be picked up at the city office or at the elementary school and should be returned by Wednesday, April 25.

Fees must be paid at the time of registration, and parents must sign a waiver for a child to participate.

Baseball and softball registration is open to children ages 8-15. Children ages 5-7 can register to play T-ball. Ages are determined as of April 30, 2012.
