By far the smallest team competing against nine other schools, HHS swimmers swam hard, with many setting new personal records at the Valley Viking Invitational Saturday, Dec. 1.

There were 75 competitors in the 50-yd. freestyle alone.

Coach Luke Thomas said several of the Holyoke girls were surprised at how fast they were able to swim in the first meet of the season.

Several new swimmers, including Jentry Andersen, Ashley Humphreys and Anastasia Conklin, were swimming in their very first meet. Thomas said they were all nervous, but exceeded their own expectations.

“It was a great way to start the season, and they will only get better as the season continues,” said Thomas.
