

Girls grab 2 wins in Haxtun, Fleming

Written by Darci Tomky

Holyoke Lady Dragons put two more wins in the scorebook last week after dominating Haxtun 41-20 and Fleming 48-38.

“We played well at times in both of these games, but still need to be a little more consistent and composed when the pressure is on,” said coach Arlan Scholl. The team has been working on fouling less, but when they commit too many fouls, it puts players on the bench who need to be on the floor.

The team missed several close shots around the basket at Fleming, added Scholl, baskets that could have made their task much easier. “But all in all, these were two good outings for the Lady Dragons.”

After Haxtun and Fleming last weekend and Yuma on Tuesday, Holyoke only has two more games before they head into district action next week.

“We are entering the time of year that we want to be playing our best basketball, and I feel that we are continuing to show improvement each game,” said Scholl. “We look forward to competing in the district tournament next week.”
