

Hoopsters host

Written by Holyoke Enterprise

Several boys' basketball teams will hit the court as the Dragon Hoopsters Club will host their first annual basketball tournament Saturday, March 23 at Holyoke High School.

Holyoke will be represented by two teams as boys in grades 4-6 compete for the top spot. The tournament will begin at 8 a.m. and is expected to last until approximately 2 p.m.

The Dragon Hoopsters Club is a booster club for all Holyoke basketball teams at all grades. Funds raised at the tournament will be earmarked to help teams cover the costs of participating in summer camps, leagues and programs for the 2013-14 season.

This will be the second fundraiser event for the club. They successfully raised around \$2,400 through raffles in January and February. Holyoke teams will be able to apply for usage of the funds as early as April.

Anyone interested in volunteering to help run the tournament or looking to contribute to the club in any way can reach Dennis Herman at 854-2175 or Marla Camblin at 854-3954.
