

Dragons prepare for second half of season

Holyoke tracksters made their way to Akron Saturday, April 20 to compete in the Akron Invitational. Out of 26 teams, the boys placed seventh and the girls finished in 20th.

“It was a good meet,” coach Luke Thomas said. “It was almost a little strange to be running outside in the sun in 50-degree weather.”

It has been a tough year so far for the HHS track and field team. They have been hindered by weather, forcing a number of postponements of meets and being forced inside for practices, but many Dragons continue to post personal records as they strive for state-qualifying times, distances and heights.

“It is nice to see personal records when we have been limited by the weather and the dirt track,” Thomas said.
