

ATV event rides in to Lake McConaughy

Written by Holyoke Enterprise

Lake McConaughy will host its very first ATV riding event—ATV Jamboree at Lake McConaughy—Sept. 27-29. This is the first time the Nebraska Game & Parks Commission has permitted ATV riding at the state’s largest lake recreation area.

“We are excited to bring this family-oriented recreational event to Keith County and Lake McConaughy,” said KCAD director Travis Haggard. “This type of event can bring a lot of people to Keith County.”

The event will encompass Arthur Bay to Sandy Beach at Lake McConaughy, over 1,000 acres of riding area.
