Foul troubles derailed what was a close first-half game Tuesday night for the Lady Dragons. Holyoke stuck close with the Lady Beetdiggers through the first quarter, trailing 11-14 heading into the second period.

Maddie King helped kickstart the HHS offense with a pair of 3-pointers as Holyoke outscored Brush 13-8 in the quarter to take a 24-22 lead at half.

Coach Arlan Scholl mentioned that the first half of play was some of the best ball the girls have played all season.
