Written by Holyoke Enterprise

Holyoke High School girls' and boys' basketball teams will hit the road Friday, March 7 for 2A regional tournament action.

The District 2 tournament wrapped up Saturday, March 1 with the boys placing second the girls fourth.

Regional tournaments will be held at eight different locations around the state Friday-Saturday, March 7-8. From here on out, a loss will eliminate a team from the tournament. Four teams will compete in each bracket with only one team from each bracket advancing to the state tournament in Pueblo Thursday-Saturday, March 13-15.
