HHS senior Sarah Heermann was recently awarded second place in the VFW's district Voice of Democracy speech contest.

After earning first-place honors at the local level in November, Heermann's speech was recorded and sent on for district judging. Her 3-5 minute entry, "My Generation's Role," followed the theme "Does my generation have a role in America's future?"

Sunday, Jan. 16, Heermann attended a district celebration in Wray to give her speech and accept the award. First place winner was Jessica Quint from Akron while Kyleigh Holloway from Sterling received third.
