“Mission: Launch Innovation” was this year’s statewide theme for Family, Career and Community Leaders of America (FCCLA), and the Holyoke chapter has certainly been ready to blast off to new heights this year.

They celebrated their journey at the annual member recognition program Monday, April 30 at Holyoke High School. Members, as well as their parents and other supporters were recognized for their efforts this year.

Junior Ben Martinez was honored as FCCLA Member of the Year, as voted on by fellow chapter members.
