

Students enjoy a day of fun and games at field day

Written by Holyoke Enterprise

Elementary students and teachers took a day off their regular school work to participate in the annual field day Friday, May 15. Students ran their fastest, jumped their farthest, and threw their hardest. Some of the teachers even got in on the action.

The results for kindergarten through second grades are as follows, in order, with the first place winner listed first. Results from grades three through five will be reported in next week's edition of the Enterprise.
