

Holyoke students earn 4 medals at NJC math/science contests

Written by Holyoke Enterprise

Four Holyoke JR/SR school students returned from Sterling with medals from the Northeastern Junior College math and science contests. Junior high students competed Tuesday, April 16 and high schoolers competed Wednesday, April 17.

Junior high students pictured in front, from left, include Alex Strauss and Luke Krogmeier. Strauss placed second in eighth-grade critical thinking while Krogmeier placed first in seventh-grade math.

High school medal-winners, back row, from left, include Sid Struckmeyer and Molly Brandt. Struckmeyer earned a second-place finish in ninth-grade critical thinking and Brandt took the top spot in 12th-grade critical thinking.
