The annual Smorgasbord Concert Thursday evening, Feb. 27 celebrated the work of local student musicians and ushered in Music in Our Schools Month for the month of March.

Prior to the concert, the Music Parents Association served a smorgasbord meal in the elementary school to raise funds for the local music department.

Audience members packed the HHS auditorium for a concert that featured a little taste of everything, with choirs in grades 7-12 directed by Marcia Dalton and bands in grades 5-12 led by Pat Wiebers.
