

County fair has come and gone, but 4-H is still going strong!

The Phillips County Fair has once again come and gone. Market animals have made their way into their buyers' freezers, breeding animals have returned back to the herd, and general projects have found a place of honor in 4-H'ers' homes.

Many may think that 4-H is over for the year since the county fair has concluded. While work on many projects is done for the time being, 4-H members are still busy with various tasks and meetings, and many are already looking forward to next year's projects.

During August and September, 4-H clubs will meet to elect new officers for the 2013-14 4-H year. The Phillips County 4-H Council will also be meeting to elect their new officers for the year.
